Shop No 1, Souq Al Mansoura Bldg 19, Street No 13
Wakalat Road, Industrial Area, Doha-Qatar

www.torquewll.com

We stock and distribute products such as Hydraulic Hoses, Fittings, Pneumatics, Pipe Fittings, Flanges, Valves, Instrumentation Fittings and their accessories, related to oil & gas, ship building, petrochemicals & construction industry in Qatar.

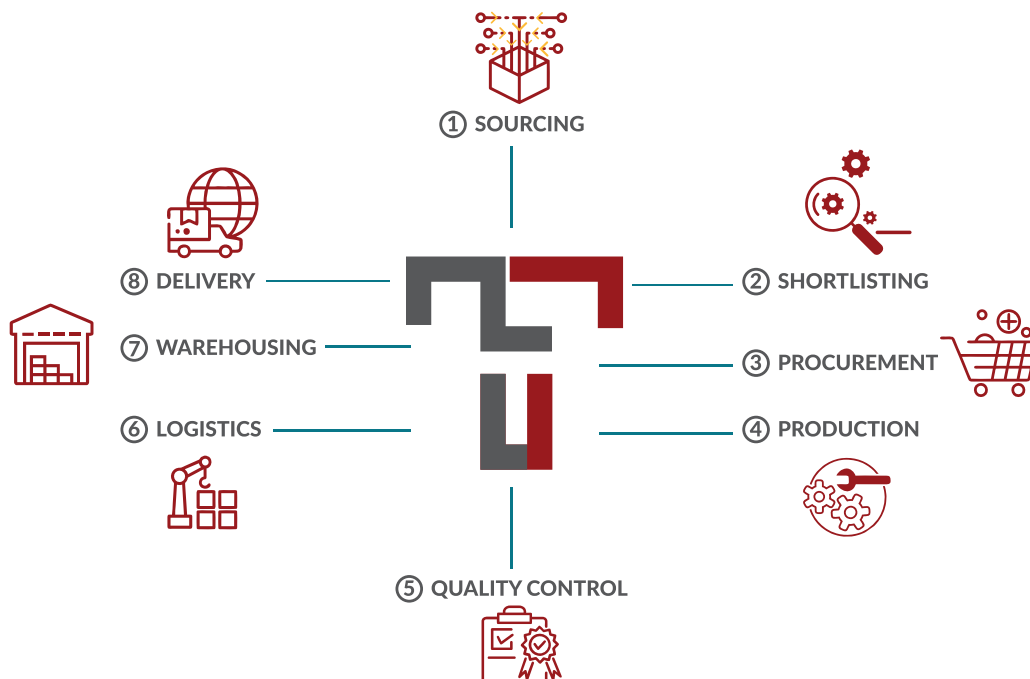

Our Mission is to provide "Engineering Solutions" so that we can help you in designing this world a better way and together we can bring "Engineering to Success".

At Torque we have a wide range of Industrial Products with employees having significant engineering knowledge helps us to provide cutting edge solutions and cater the customer with proper requirements and solutions.

Pursuing and following strong Business Ethics, the founders hail from reputed business family that has been fulfilling customers needs for over 3 generations. Torque aims to continue this long term vision of partnering with customers as they fulfill their business ambitions.

Being Qatar based, gives us a strategic advantage to serve customers' requirements across the region. We also have our own delivery system which helps us to deliver material with swiftness and efficiency across Qatar.

Each Torque product comes with a guarantee of a brand. Our Product range has been built after extensive research, life cycle testing and bench marking. We are committed to quality assurance and is followed with rigour at each stage of Process cycle as mentioned below,

HYDRAULIC HOSES & FITTINGS

1 Wire Hose (R1) | 2 Wire Hose (R2) | 4 Wire Hose (4SH/4SP)
Hydraulic Fittings | Hydraulic Ferrules | Hydraulic Flanges & Valves

4 Wire Hose (4SH / 4SP)

1 Wire Hose (R1)

2 Wire Hose (R2)

Hydraulic Fittings

Hydraulic Quick Couplings

Hydraulic Ball Valves

AVAILABLE BRANDS

- **Hydraulic High Pressure Hoses:** Used in hydraulic & oil applications like R1, R2, 4SH & 4SP hoses ranging upto 400 bar pressure.
- **Hydraulic Fittings :** Hydraulic Ferrules, Hose Fittings, Adaptors and Flanges available from 1/8" till 2" in BSP, NPT,- JIC, ORFS, and various other threads.
- **Hydraulic Quick Disconnect :** QRC's available in various types from 1/4" till 2" Size.
- **Hydraulic Valves :** Available in Female x Female, Male x Female upto 10,000psi from size 1/4" till 2"

INDUSTRIAL HOSES

Rubber Air Hoses | Duct Hoses | Green Suction Hoses | Lay Flat Hoses
| Water Discharge Hoses | Fuel Hoses | Chemical Hoses | Hydraulic Pressure Hoses

Water Suction & Discharge
Oil Suction & Discharge

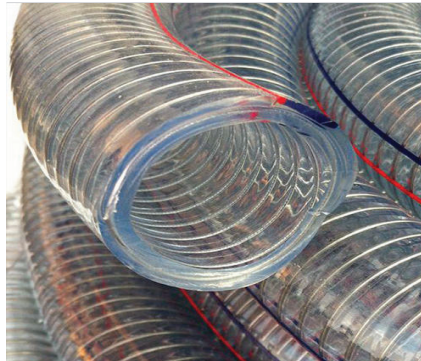

Rubber Air Hose
Multipurpose Hose

Green Suction Hose

Lay Flat Hose

Steel Wire Hose

PVC Braided Hose

AVAILABLE BRANDS

- **Water Suction and Discharge Hose** : Available in 10bar and 20bar WP from size 1" till 12"
- **Oil Suction and Discharge Hose** : Available in 10bar and 20bar WP from size 1" till 12"
- **Air Hoses:** Rubber Air Hoses available from pressure 20&40 bar ranging from sizes 1/4" to 4"
- **Lay Flat Hoses:** Used for dewatering applications, available in pressure ranges 4&6 bar ranging from sizes 2" to 8"
- **Green Suction Hoses:** Used for air & water applications , available from sizes 1" to 8"
- **PVC Nylon Braided Hoses** : Industrial Quality with 20bar WP available from size 1/4" to 2"
- **Steel Wire Hose (Clear Hose)** : Used in various suction application from size 1/2" till 6"

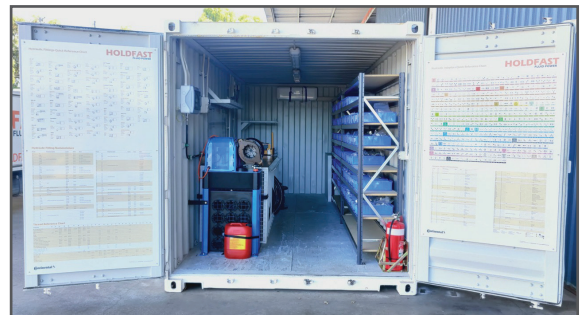

HYDRAULIC SERVICES

Hydraulic High Pressure Fittings | Hoses with Crimping | Swivel Fittings
| Straight Fittings | Hydraulic Crimping Van

24/7 onsite mobile crimping van service

Onsite container crimping service

Fuel management products & service

AVAILABLE BRANDS **EATON** (EUROPE)

Stainless Steel Hoses

Crimping and Fabrication of single convulated and double convulated stainless steel hoses in various sizes with multiple end connections of fittings, flanges and adaptors

PNEUMATICS

FRL Units | PU Tubes & Coils | Push Fittings | Solenoid Valves | Quick Release Couplings

FRL Units

Push Fittings:
Plastic & Metal

Solenoid Valves: Single,
Double & Diaphragm Type

PU Tubes, Nylon Tubes
& Coils

Quick Release Couplings

Pneumatic Cylinders

AVAILABLE BRANDS

FESTO

Pneumatics
AUTOMATION
innovating for optimal quality & value

LÜDECKE

Parker

- FRLs: FRL Combination units with High Pressure Regulators ranging from sizes 1/2" to 2"
- Push Fittings: Available in Plastic (mm), PVC, Metal, Inch, ranging from sizes 1/2" to 1"
- Solenoid Valves: Available in 5/2 & 3/2 ports in Single, Double, Pilot & Mechanical Valves ranging from sizes 1/4" to 1/2"
- Tubes & Coils: Available in Polyurethane, Nylon & PTFE Teflon material with Fittings ranging from sizes 4mm to 16mm
- Quick Release Couplings: Available in Socket Male, Socket Female, Hose End, Plug Male, Plug Female, Hose End ranging from sizes 1/4" to 1/2"

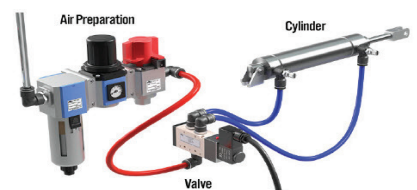

Figure 1C: Basic pneumatic system

COUPLINGS & CLAMPS

Pipes | High Pressure Fittings | Butt Weld Fittings | #316 Threaded Fittings
| Camlock Fittings | Hose Clamps

Camlock Couplings:
Aluminum, Brass & SS

Claw Couplings:
GI, Brass, SS

Storz Couplings:
Aluminium, Brass, SS

Miller Couplings
Bauer Couplings

Hose Clamps: MS & SS

Hose Clamps: MS & SS

AVAILABLE BRANDS

LUDECKE

MBGroup

Pneumics
AUTOMATION
innovating for optimal quality & value

- **Couplings:** Camlock Couplings, Chicago/Universal Couplings, Storz Couplings. Available in Male Adaptor, Female Adaptors in materials like Aluminum, Brass, Stainless Steel ranging from sizes 1/2" to 6"
- **Clamps:** Available in Jubilee, Single Bolt Clamp, Double Bolt Clamp, Interlock 4 Bolt Clamp in material like Stainless Steel & GI, ranging from sizes 1/2" to 12"

Camlock Coupling

PIPE & PIPE FITTINGS

Pipes | High Pressure Fittings | Butt Weld Fittings | #316 Threaded Fittings
| Camlock Fittings | Hose Clamps

Buttweld Fittings

High Pressure Fittings
3000, 6000, 9000 psi

GI and MI Fittings

Carbon Steel and
Stainless Steel Flanges

Brass Fittings

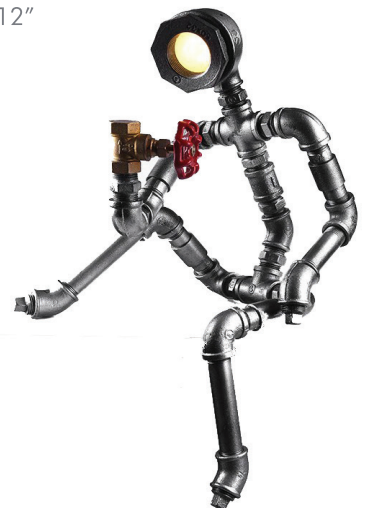

SS316 Pipe Fittings

AVAILABLE BRANDS

- Pipes: Available in SS, MS & GI materials ranging from SCH 10/40 in Std Class C & E from sizes 1/2" to 12"
- High Pressure Fittings: Available in SS 316 & CS material in 3000psi & 6000psi. Available in Elbow, Tee, Hex Nipple & Union ranging from sizes 1/4 " to 3"
- Buttweld & Seamless Fittings Flanges: Available in SS 316 & 316 L and MS material ranging from SCH 10/40/80 and available from sizes 1/2" to 12"
- Threaded Fittings: Available in GI, SS, Malleable Iron & Brass materials

VALVES

Brass Ball Valves | Gate Valves | Check Valves | Foot Valves | Float Valves |
Bib Cock Valves | Y-Strainer Valves

AVAILABLE BRANDS

- **Brass Ball Valves:** Screwed, available from pressure range 16, 25 & 40 bar, ranging from sizes 1/4" to 4"
- **Brass Gate Valves:** Available in Check Valve Vertical & Swing Types, ranging from sizes 1/2" to 4"
- **Foot Valves:** Available in Full Brass & Net types, ranging from sizes 1/2" to 4"
- **Float Valves:** Available in PVC & Brass materials, ranging from 1/2" to 4"
- **Brass Bib Cock & Y-Strainer Valves:** Also available

INSTRUMENTATION

Pressure Gauges | Diaphragm Seal Gauges | Block Bleed Valves
| Instrumentation Ferrule Fittings | Needle Valves

AVAILABLE BRANDS **SANDVIK** (SWEDEN)

- **Pressure & Diaphragm Seal Gauges:** Available in MS & SS 316 materials, Bottom & Back connections available in bar, psi, KPA & MPA, ranging from dial sizes 1-1/2" to 6"
- **Solenoid Valves:** Available in 5/2 & 3/2 port. Block & Bleed Valves also available. Manifolds ranging from sizes 1/4" to 1"
- **Stainless Steel Ferrule Fittings & High pressure Needle valves:** Available in 3000 psi & 6000 psi
